RACF Survey

**What value is SETROPTS option NJEUSERID set to on most of your Production RACF databases?**

Responses	Count	Percent %
Default value ????????	33	86.8%
A different value	5	13.2%
Total	**38**	**100%**

What value is SETROPTS option UNDEFINEDUSER set to on most of your Production RACF databases?

Responses	Count	Percent %
Default value ++++++++	36	94.7%
A different value	2	5.3%
Total	**38**	**100%**
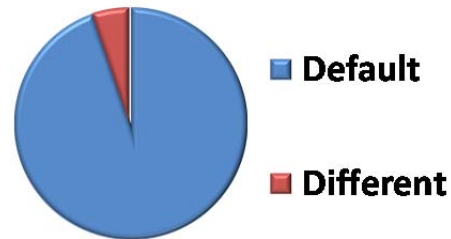

Note: The two sites who set UNDEFINEDUSER to a different value also set NJEUSERID to a different value.

Have you defined any JESSPOOL profiles on any of your Production RACF databases that explicitly specify the NJEUSERID or UNDEFINEDUSER value in their second qualifiers?

Responses	Count	Percent %
Yes	3	7.9%
No	35	92.1%
Total	**38**	**100%**
