

**For your Production z/OS systems, to what extent do you use TSO Segments to assign attributes to TSO users as opposed to using User Attribute Data Set (UADS) entries?**

Responses	Count	Percent %
Less than one-third of TSO users have TSO Segments	1	3.7%
One-third to two-thirds of TSO users have TSO Segments	0	0%
Over two-thirds of TSO users have TSO Segments	0	0%
Nearly all TSO users have TSO Segments, only a few TSO users just have a UADS entry	2	7.4%
All TSO users have TSO Segments, including those users with matching UADS entries	10	37.0%
All TSO users have TSO Segments, no users are defined to UADS	14	51.9%
